PREFACE

This report is one in a series on Soviet Ground Force and Logistic installations being prepared for a DIA/CIA Panel. The series is being coordinated, published and disseminated by NPIC. The photographic analysis is being performed by the NPIC Photographic Analysis Group, the CIA Photographic Intelligence Division (NPIC), and the Production Center 1P1a (DIA). The photographic analysis for this particular report was performed by the CIA Photographic Intelligence Division

In the interest of uniformity, the titles and letter designators for the facilities observed at these installations are identical with those appearing in the project requirement. When a specific facility is not observed both its title and letter designator are omitted in the report.

Titles and letter designators for the various facilities are as follows: (A) railroad service, (B) road service, (C) landing strips, (D) administrative and troop housing areas, (E) storage areas, (F) ammunition storage areas, (G) POL storage areas, (H) other buildings and facilities, (J) equipment storage/maintenance areas, (K) athletic fields, (L) small arms firing ranges, (M) driver training areas, (N) tank/assault gun firing ranges, (P) flat trajectory firing ranges, (Q) artillery emplacements (batteries), (R) infantry or combined arms field training areas or courses, (S) special training facilities, (T) unidentified facilities or tracking activity.

SUMMARY

A barracks and training area is located 8 kilometers (km) west of Yuzhno-Sakhalinsk and 20 km northeast of Aniva Army Barracks Petropavlovskoye (Figure 1).

The installation covers approximately 4,575 acres and contains 4 administration buildings, 1 probable barracks, 13 barracks-type buildings, 8 storage buildings, 2 probable vehicle sheds, 3 possible vehicle sheds, 2 unidentified buildings, 2 range control buildings, and 58 support buildings. It also contains approximately 80 probable tent bases, an open storage area, a probable motor park, 2 athletic fields, a tracked-vehicle, driver-training course, a tank/assault-gun firing range, and 2 areas of ground scarring

(Figures 2 and 3).

The area is covered on [] missions of interpretable quality between []

[] Comparative analysis indicates that the tank/assault-gun firing range was constructed prior to [] Two possible vehicle sheds, a bivouac area, and 2 areas of unidentified ground scarring were constructed between []

Track activity in the barracks area was light during the summer and no activity was observed during periods of snow cover. Activity in the training area was light to heavy and, except for [] coverage, no training was observed during periods of snow cover.

DESCRIPTION OF INSTALLATION

Railroad Service

Rail service is available in Yuzhno-Sakhalinsk.

Road Service

A secondary, probably all-weather road connects the installation to Yuzhno-Sakhalinsk and Aniva. A tank trail connects it to Aniva Army Barracks Petropavlovskoye.

Administration and Troop Housing Areas

Area D1 contains 3 administration buildings, 1 probable barracks, 4 storage buildings, and 24 support buildings.

Area D2 contains 13 barracks-type buildings and 9 support buildings.

Area D3 contains 1 administration building, 2 unidentified buildings connected by a covered walkway, and 9 support buildings.

Area D4 (not on sketch) contains approximately 80 probable tent bases.

General Storage Area

Area E (not on sketch) contains 4 storage buildings, 8 support buildings, and an open storage area.

POL Storage Area

Yuzhno-Sakhalinsk Petroleum Storage Listvenichnoye is located 14 km southeast of the installation.

Other Buildings

Two range control buildings and 4 support buildings are dispersed throughout the area.

Equipment Storage/Maintenance Areas

Area J1 contains 2 probable vehicle sheds (155 by 70 feet and 155 by 40 feet) and 4 support buildings.

Area J2 contains a probable motor park, 290 by 100 feet.

25X1

Area J3 (not on sketch) contains three 170- by 50-foot possible vehicle sheds.

Athletic Fields

Area K1 contains an athletic field.

Area K2 (not on sketch) contains an athletic field.

Driver-Training Area

Area M (not on sketch) contains a tracked-vehicle driver-training course.

Tank/Assault-Gun Firing Range

Area N (not on sketch) is a 6,050-foot tank/assault-gun firing range with three 2,600-

foot lanes, 4 moving-target runs and an impact area. Heavy track activity was observed during the spring through fall training season [REDACTED]. Training was also observed during a period of snow cover in [REDACTED].

Unidentified Facilities or Tracking Activity

Area T1 (not on sketch) contains 4 unidentified ground scars located immediately south of the tank/assault-gun firing range.

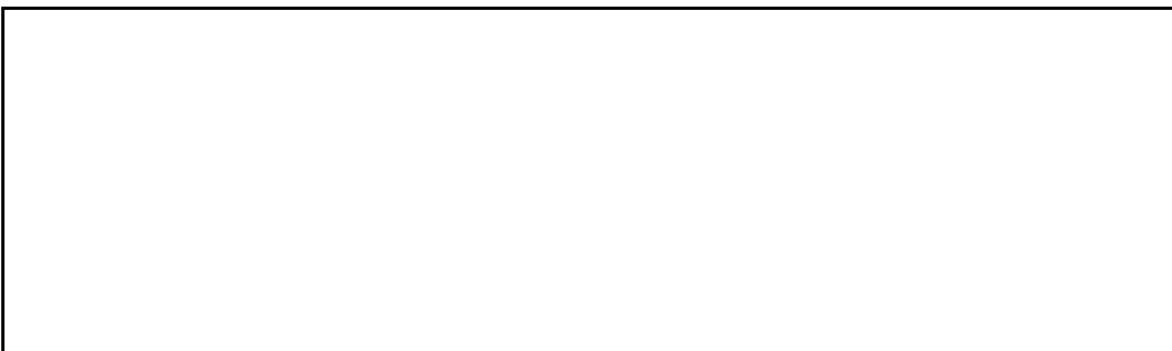

Area T2 (not on sketch) is an area of unidentified ground scarring with 1 elliptical ground scar and a roughly rectangular ground scar.
